*Pageant Weekend*

JUNE 22-24, 2018

AT MARYLAND YACHT CLUB

# PAGEANT HISTORY

Racing Events, some with sailing yachts — some with hydroplanes, Regattas, a fantastic new club home — was not enough for Maryland Yacht Club Officers and members. They combined Flag-Raising ceremonies and the crowning of the “Queen of the Chesapeake” on the first Sunday in June 1947. Thus our Royal Beginning. Our first Queen was Mrs. Mae Sgerman of Towson.

In 1948 Flag-Raising ceremonies, crowning of the “Queen of the Chesapeake,” introduction of a new speedboat class and three other events for powerboats highlighted the 40th anniversary opening of Maryland Yacht Club. This event, witnessed by over 5,000 spectators, was the first of its type to be televised on the Chesapeake Bay. Miss Rachel Holmes, representing the Bush River Yacht Club won the coveted crown as she competed against six other young ladies then dubbed “Princesses.”

For many years this truly became a competition between Yacht Clubs to the ‘girl next door’ who can think on her feet and become a spectacular representative of each club. The pride that each club shows in their “Princess” is very special and feels the happiness and pride — not only of each girl and her family, but of each of the officers of her club.

Over the years, the number of Pageant contestants has greatly varied — starting with 6 clubs participating and peaking in 1997 with 20 or more entrants. Recently the number of Princesses competing ranges 3 to 8. In the early years — there were no microphones — and the audience made up of members of visiting clubs and families pressed the fence behind the judges table to hear the questions posed to the girls.

The Pageant has evolved to highlight the significant changes in roles of young women over the last 71 years, reflected in the Scoring Breakdown which equally weighs Achievements, Interview skills, and Poise/Presentation. Today’s Queen of the Chesapeake and First Runner Up will receive scholarships toward her continuing education. We still hold strong to the tradition of wearing the beautiful white gown and speaking before judges, members of the yachting community as well as friends and family members.

In 2017, the 70th Queen of the Chesapeake Pageant has grown from the Sunday segment of Maryland Yacht Club’s Opening Weekend to its own premiere, weekend long event focused on the Princesses and their achievements. The Weekend includes a themed boat decorating contest, scholarship fundraising activities, live music, food, and plenty of time to gather with friends as well as the traditional pageant ceremony. It now takes place after all the yacht clubs have had their openings, which allows the Princesses to focus on their studies during finals and to attend as many openings as possible. All of these activities have been made possible by the yacht clubs coming together and combining their efforts to making this a memorable event for these young women; an event reflecting the true meaning of community that comes with being part of a yacht club on the Chesapeake Bay!

*Queen Gabby*

Hello Officers and Members of the wonderful Chesapeake Bay Yacht Club Community!

I have had the honor of representing all of you as the 70th Queen of the Chesapeake over the past year, while completing my senior year of high school at Notre Dame Preparatory School in Towson, MD. My senior year has certainly been busy, as I have taken 5 AP classes, participated in service work, applied to college, and served as Queen.

Academics have always been important to me, as I have earned the highest honors in all of my years in school. Over the past four years, I have been enrolled in the most challenging courses that my school has to offer. That said, I have dedicated hours each night to completing homework. Outside of the classroom, I have sought other educational opportunities as I interned with a Cardiac Anesthesiologist, where I witnessed open heart surgeries and catheterizations. I also had the opportunity to shadow a member of Maryland's State Legislature and a Lobbyist for Johns Hopkins. Both of these experiences allowed me to witness discussion on the Senate floor about environmental and healthcare legislation, while understanding the policymaking process in our government.

One of my greatest passions is serving marginalized populations, especially the children of Camp Umoja. I have volunteered at Camp Umoja since 8th grade, spending weekends and 4 weeks in the summer with children from Baltimore's public housing. Camp Umoja serves as a space where children can practice swimming, reading, and math skills, while creating a lasting bond with their counselor.

I am proud to say that I graduated from Notre Dame Preparatory School on May 30th, being named Cum Laude, meaning that I am in the top percentile of my graduating class. I also had the honor of receiving the Bene Merenti Award for my dedication to service to marginalized populations. In the fall, I will be attending Boston College, following a pre-medical track, with the hope of majoring in both biochemistry and public health, with a minor in international relations or public policy.

As Queen, I have felt empowered and supported every step of the way. I know that I am the person I am today because of the confidence that I have gained through my experiences as a Yacht Club Princess and as the 2017 Queen of the Chesapeake. In the future, I hope to become a pediatric physician and lobby for children's access to healthcare. As I enter a new chapter of my life, I am eager to transform the world in college and beyond, but I know that the Chesapeake Bay will always be my home.

*Princess Dorothy*

My name is Dorothy Underwood and I'm the Princess of Baltimore Yacht Club. I just recently graduated from the Catholic High School of Baltimore, where I was involved with the STEM program. I will be attending Salisbury University Cognitive Psychology Program in the fall of this year. I will also be majoring in Psychology in order to become a therapist for children and teens in the future.

The charity I support is Tech Girlz, which is an organization with the Boys and Girls Club of Aberdeen. The goal is to introduce impoverished girls to Science, Technology, Engineering and Math (STEM). The girls meet once a month and have participated in numerous stem projects such as: learning about drones, how to build a website, climate change, and various other STEM areas. Please feel free to donate or ask me about my charity at any time.

*Princess Mia*

Hello! My name is Mia Sokol and serving as Bodkin Yacht Club's Princess for the second year is an honor. During my reign, I have enjoyed attending balls and openings with all of the other princesses.

I am currently a high school sophomore at Notre Dame Prep, a Catholic school for girls, where I run on the cross country team and serve as a student ambassador. Also, I am a member of the Women in Medicine club, which has allowed me internship opportunities in the field of medicine. Last summer I served as a volunteer in the surgery department at Johns Hopkins Bayview Medical Center. I am enrolled in Honors level coursework and have received First Honors/Principal's Honor Roll my entire school career. This year I was inducted into the Tri-M Music National Honor Society.

To align with my love of the water, the charity I am supporting is the Chesapeake Bay Foundation (CBF). I want to help raise awareness about things that can be done both big and small to help preserve the Bay, so we can all create lasting memories for years to come.

I enjoy running, playing the piano, and naturally, boating! I plan to spend most of my summer on the water as both a lifeguard for the YMCA and cruising the Chesapeake Bay. Having grown up at BYC, I look forward to representing my club at openings and everything else that lies ahead this boating season.

*Princess Hailey*

Hello my name is Hailey Jones, princess of Crescent Yacht club. I am a junior at Bel Air High school. On the weekends and in the summer I show cows and participate in 4H. I do lots of community service in 4H. I participate in road clean ups and lots more!

My charity is the Chesapeake Bay foundation, where they help run off from farms to stop going into the bay! I chose this charity because it brings both of my favorite things together! I love to educate children and others about farming and the Chesapeake bay and I love finding new ways to clean the bay and to preserve the bay! I look forward to seeing everyone around the bay!

*Princess Shelby*

Hello, my name is Shelby Armetta, and I have the honor of being the princess of Eastern Yacht Club this year. I recently graduated from The Catholic High School of Baltimore as an honor student. I was Captain of the Varsity Cheerleading team and was awarded a four-year athlete award and the Ruthie Folio Robinson Spirit Award. This award is given to a senior cheerleader who demonstrates team spirit, dedication and commitment to the cheerleading program and is someone that teammates can depend on and look up to. In the fall, I will be attending Point Park University in Pittsburgh as member of the honors program. While in college, I am planning to study Business Management and Photography.

For my charity this year, I chose Believe in Tomorrow Children's Foundation. Believe in Tomorrow is a local charity that provides hospital and respite housing for critically ill children and their families. I chose this charity because of a close family friend that benefited greatly from this organization. One of my proudest accomplishments as princess is raising \$14,350 for Believe in Tomorrow. This all wouldn't be possible without the love and support of everyone in my Eastern family as well as everyone else in the yacht club community.

*Princess Alyssa*

Hello! My name is Alyssa Orlinski and I am the Princess of Kent Island Yacht Club. I am a junior at Kent Island High School and currently participate in three honor societies, Varsity Soccer, Student Government Association and We the People club. I volunteer to clean up the Chesapeake bay with Kent Island Beach Cleanups and work at Auntie Anne's pretzel shop. I am enrolled in my school's nursing program so that when I graduate I will be a CNA (certified nursing assistant), a GNA (geriatric nursing assistant), and a CCMA (certified clinical medical assistant).

Through my club, I support the charity Wounded Warriors. I own a webpage where people can donate as they please and hold a place for donations at Kent Island Yacht Club. During the summer I hope to participate in the Wounded Warriors Day on the Bay event, helping out the people who served our country so well. My charity means so much to me as I hope to work in the armed forces or with people who have served after college. I'm very excited to see everyone around the bay!

*Princess Adelle*

Hi, my name is Adelle Marcic and I am Princess of Maryland Yacht Club. I am a sophomore at Chesapeake High School where I am a member of the Future Business Leaders of America Club, the String Orchestra, and a member of the track team. Over the Summer, I am a sail camp instructor at Eastport Yacht Club and race on my family's sailboat every week with Rock Creek Racing Association. I volunteer at my church constantly throughout the year doing things like making blankets for the homeless, making casseroles for the homeless, and I will be a volunteer helper at the Middle School and High School Youth Ministries in the fall.

My charity is a 501(C)3 non-profit organization, the Maryland Yacht Club Junior Sail Program. I chose this organization because I learned how to sail through our summer program when I was 9 years old, almost 7 years ago, and the program taught me one of the skills and passions that I value most in life. I love sailing and I sail almost every day over the summer, so giving back to the program that sparked my passion is extremely rewarding. I love that I get to help raise money for a program that can do the same for younger kids! I hope everyone has a fun and safe summer!

*Princess Stephanie*

Hello, my name is Stephanie Glinsky, I represent as Middle River Yacht Club's Princess. I am going into my Senior year at North Harford High School, where I am an honor roll student and a member of the sign language Club.

During the summer time I work alongside my dad as a partial owner of our family tree removal business, I help to train new employees as well as work as a groundman. In addition, I enjoy spending my free time around the community volunteering. Many times, you will see me at Norrisville united Methodist Church, Jarrettsville united Methodist and New Holland Presbyterian church, I do multiple vacation bible schools where I am a teen leader for the children, as well as stay before and after to help with community clothing closets and Church dinners. In addition, I am also a member of the United Methodist women where we not only work to build a supportive community among women but also in the growth of faith, mission education and social involvement. But my favorite place to help with is the homeless shelter near riverside where fellow church members and I go and prepare meals for them.

Onto my biggest endeavors this year, my new organization, Bay B Beautiful. I started Bay B Beautiful because I did not just want to give money raised throughout the bay, watershed and tributaries blindly to another huge organization, but to personally oversee that money is going to the hard-working people and the small groups that are putting in the most time, effort, and working hours into making a positive impact on the bay.

Lastly, I would like to thank everyone who has supported me through these past two years as princess.

Can't wait to see you all around the bay!

*Princess Lexi*

Hello, my name is Lexi Maust, Princess of Sue Haven Yacht Club. As a junior at Harford Technical High School, I am involved in many organizations including the National Honor's Society, the National Technical Science Honor's Society, the Student Government Association, Future Farmers of America, Skills USA, as well as the Floral Design program.

One of my passions is competitive Baton Twirling. Having won several State, Regional and National titles, I have also represented Team USA in both Switzerland and Croatia, winning a world title. This year I have had the honor to work with the Make-A-Wish Foundation. Through this opportunity, I have gained an understanding of the struggles that children with critical illnesses face and overcome. By granting "wishes", the foundation provides a way for these children to focus on "being a kid" instead of their illnesses. Various fundraising activities have allowed me raise over \$7,000 to help make these "wishes" come true. I would like to thank everyone for their support this year and look forward to seeing everyone around the Bay this summer!

## **SCORING BREAKDOWN & CRITERIA**

### **Achievement - 25%**

The Contestant's achievement will count for 25% of her final score. Her achievement score will be based on the information she provides in the achievement section of her Queen of the Chesapeake Pageant application. Achievements can include any extracurricular activities, leadership experience, academic honors, and awards received. Categories include school honors, sports activities, school organizations, and community activities.

### **Essay - 15%**

The Contestant's essay will count for 15% of her final score. Her essay should be 200-225 words on the specific topic which is included in her application. It should be submitted with her completed pageant application. Content will be the primary scoring criteria for this category. Willingness to follow guidelines and ability to use proper grammar will also be considered.

### **Interview - 25%**

The Contestant's interview will count for 25% of her final score. She will be expected to wear professional attire. The actual interview will consist of the Contestant talking to a panel of three judges for 10 minutes. They will ask questions about the Contestant such as her interests, her aspirations, and her opinion on general subjects. Their goal is to learn more about the Contestant's personality as well as her ability to be engaging during a conversation. They will not ask her any trick questions or ask her questions with right or wrong answers.

## **SCORING BREAKDOWN & CRITERIA**

### **Openings - 10%**

The Contestant's total number of yacht club openings that she has attended this season will count for 10% of her final score. Her attendance at openings reflect her participation and commitment to the yacht club community. She will announce this number during her introduction on Pageant Day. The judges will calculate her openings score using the following scale:

20+	Openings Attended	=	10 Points
18-19	Openings Attended	=	9 Points
16-17	Openings Attended	=	8 Points
14-15	Openings Attended	=	7 Points
12-14	Openings Attended	=	6 Points
10-11	Openings Attended	=	5 Points
8-9	Openings Attended	=	4 Points
6-7	Openings Attended	=	3 Points
4-5	Openings Attended	=	2 Points
2-3	Openings Attended	=	1 Points

### **Poise/Presentation - 25%**

The Contestant's poise/presentation will count for 25% of her final score. The Contestant's poise/presentation score will be based on the judges' overall impression while she is escorted; seated on stage; and speaking publicly during the Sunday portion of the Pageant. They will be looking for her ability to speak effectively and intelligently during her introduction; speech; and while answering questions. Her score will also be influenced by her ability to command both the judges' and the audience's attention by her poise and confidence

Ginger Bahr has been a teacher and Principal in the Archdiocese of Baltimore for 30 years. She earned her Bachelor's and Master's Degrees from Towson University and is Certified in Administration and Supervision through the College of Notre Dame in Baltimore.

As current Principal of St. Joan of Arc School, one of only 130 STEM certified schools internationally, one of her goals is to teach students about preserving the environment, especially the Chesapeake Bay, for future generations.

Ginger is married to Henry Bahr, a long-time resident of Harford County, who introduced Ginger to boating on the Chesapeake Bay. Henry is past Commodore of the Bush River Yacht Club. As First Lady, she witnessed first-hand the positive effects experienced by the young ladies who represent their club as Princess. They grow socially and intellectually and learn how to present themselves well in many situations. It is a unique experience and she is honored to serve the Yacht Club Community and help with the selection of a Queen.

## Thanks From Chesapeake Bay Yacht Clubs Association

CBYCA extends best wishes to every club Princess. "Thank you" to each of you for your efforts on our behalf. To those who are competing in the Queen of The Chesapeake Pageant, all of us... especially those in your club are proud of you already. You are all winners. We are proud to know you.

The Association also extends special thanks and respect to Queen Gabby Kastrunes as she ends her remarkable year. It seemed she was everywhere all the time. Her efforts to fulfill her duties as Queen will be respected for many years to come.

# Princess Mia

We are so  
lucky & proud  
to have you as  
Bodkin Yacht  
Club's beloved  
princess.

Thank You!

# Because a family's love is good medicine.

For more than 25 years, the Fisher House program has provided "a home away from home" for families of patients receiving medical care at major military and VA medical centers. These homes offer free, temporary lodging to military and veterans' families, allowing them to be close to their loved one during a medical crisis and focus on what's important—the healing process. There are 76 Fisher Houses located in the US, Germany and United Kingdom.

As of Feb. 7, 2018

*WELCOME TO THE FRIENDLIEST YACHT CLUB ON THE BAY!*

The Eastern Yacht Club, established in 1956, is located at the mouth of Middle River just off the Chesapeake Bay in Baltimore County, Maryland.

There are 20 spacious acres at our club with plenty of parking and slips to accommodate 72 boats.

Our club house facilities can host parties, weddings and events for up to 200 guests.

Our members and their guests enjoy exclusive use of the "Tiki Bar" as well as a private beach which is complete with tables and umbrellas.

Parking for slip holders is located adjacent to the piers and beach area. We have a Gazebo near the waters edge where wedding ceremonies may be performed. EYC has a caterer available to help plan the menu for weddings and other affairs at EYC.

## *Introducing the SeaClutch®!*

Are you tired of your pictures and decorative items falling over while underway? Do you dread having to go through your entire boat to lay everything down so it doesn't get broken while in transit? How many times has an unexpected wake sent your pictures tumbling to the floor? The SeaClutch solves this problem!

We are boaters just like you, and we developed a solution for this common problem! The patented SeaClutch prototype pictured on the left will come in a variety of colors and finishes, and will be customizable with the name of your boat or family engraved on the face! Also available in clear so your decorative frames can be seen! Size adjusts to fit almost any frame and reusable adhesive keeps it firmly in place! Available fall of 2018. Pre-order on our website below!

Please visit our website at [www.seaclutch.com](http://www.seaclutch.com)! The Holmes Family!

# Queen of the Chesapeake

All little girls are born as princesses. Some little girls grow up being inspired by their birthright. When you were a little girl at Disney World, you made friends with many princesses. Your eyes looked at the castle in awe, and you loved the beautiful dresses that your “new friends” wore. Who would have thought that in 2015, you would become a grown-up princess, The Princess of Riverside Yacht Club. Soon after, in 2017, you were crowned the 2017 Queen of the Chesapeake. We are so proud of you and how you have represented the community and our family with kindness and grace. We love you, Queen

Gabby! Love, Dad, Mom, and Angela

# Thank You Alyssa!

*For Representing KIYC!*

We are all very proud of  
you!

*Princess  
Mia*

The Officers, Bridge and Members of Bodkin Yacht Club sincerely appreciate Princess Mia's personal dedication to and representation of Bodkin Yacht Club during the past 2 years.

We wish her the best of luck in the  
2018 Queen of the Chesapeake Pageant!

Best wishes to Princess Adelle  
during the Queen of the  
Chesapeake Pageant.  
Captain Brad and first mate Pat

PRINCESS HALSEY

WE ARE SO PROUD OF WHAT YOU  
HAVE ACCOMPLISHED AS PRINCESS  
AND CRESCENT YACHT CLUB WISHES  
EVERYONE A WONDERFUL BOATING  
SEASON!

A vertical rectangular image with a dark blue background. A large, bright crescent moon is positioned in the upper right quadrant. The sky is filled with numerous stars of varying sizes and brightness, some with prominent diffraction spikes. Several vertical streaks of light, resembling shooting stars or meteors, fall from the top of the frame. The overall atmosphere is serene and magical.
